

Identifications from Osterbrock, Donald E., "The First West Coast Meeting of the AAS," in DeVorkin, David H., ed., *The American Astronomical Society's First Century* (AAS, 1999), pp. 37–39:

*Figure 1.* Joint AAS-ASP meeting, Berkeley, California, August 1915. Seated in the first row of chairs, the "power row," are, from left to right, Robert G. Aitken, Richard H. Tucker, Edward A. Fath, Elizabeth B. Campbell, Frank Schlesinger (first vice president of the AAS), William Wallace Campbell, George Ellery Hale, and Armin O. Leuschner. The bald-headed man at the right, seated on the ground, is Joel Stebbins, later at various times councilor, secretary, vice president and president of the AAS. Harlow Shapley, then at Mount Wilson, is in the back row, sixth from left. Courtesy of the Mary Lea Shane Archives of the Lick Observatory, UC-Santa Cruz.
